

AMERICANS BOMB VIENNA FOR FIRST TIME

MacArthur Announces Twin Triumphs in the Pacific

Manus Airdrome Seized, Enemy Drive Repulsed

Destroyers Aid Ground Forces

By ASAHIEL BUSH

ALLIED HEADQUARTERS, SOUTHWEST PACIFIC, Saturday, March 18 (P)—Capture of Lorengau airdrome on Manus island in the Admiralties and complete breakdown of the enemy's counteroffensive at Empress Augusta bay on Bougainville island in the Solomons were twin triumphs over the Japanese announced in Gen. Douglas MacArthur's communique today.

Lorengau airstrip fell Thursday under a two-pronged attack from the north and west by dismounted troops of the First Cavalry division. American destroyers contributed their broadsides to the job of taking the field.

Americans Advance

The Americans then pressed southward toward the town of Lorengau, eliminating strong enemy pillbox defenses with mortar and tank fire of reach a point only 600 yards from their objective.

Troops fighting here are contingents of the conquerors of Los Negros island to the east. They landed on Los Negros Feb. 29, captured Momote airdrome and subsequently won control of the island. Subjugation of Manus island will give the Americans virtual control of the whole Admiralty group, at the northern approach to the Bismarck sea.

Many Japanese Killed

The final rout of the Japanese on Bougainville was achieved through Tuesday night, when the enemy made a last desperate bid for victory which would have given him possession of cannon ridge and allowed the Japanese artillery to dominate the beachhead and airfields on Empress Augusta bay.

The Japanese were turned back with tremendous losses after the all-night battle.

More than 1,100 Japanese dead lie within the American lines, the communique said, but the enemy's total casualties were much more. Hundreds of other dead lay outside the American barbed wire.

The majority of Japanese troops in the Solomons are believed to be concentrated in the southern section of Bougainville.

500 Pound Bombs Wound Writers

Ernie Pyle Is Among Injured

By EDWARD KENNEDY

ALLIED HEADQUARTERS, NAPLES, March 17 (P)—Two 500-pound bombs from a raiding German plane exploded a few feet from press headquarters on the Anzio beachhead early yesterday, slightly injuring five correspondents.

They were Wick Fowler of the Dallas News, injured slightly on the neck and shoulders, William Strand of the Chicago Tribune, cuts and bruised left arm from falling plaster, Sgt. George "Slim" Agrone of Nashua, N. H., Yank Magazine photographer whose hand and face were slightly lacerated, and George Tucker of the Associated Press who suffered an ankle injury and cuts and bruises. All were awarded the Purple Heart.

Ernie Pyle, United Features syndicate columnist, escaped with a cut on the right cheek.

Ceilings came down and partitions inside the "villa virtue." Fifth army public relations headquarters, were ripped out by the blast.

"I told you this place wasn't safe," they roared at each other as they picked themselves out of the rubble.

Doctors who treated the correspondents in the field hospital said none was seriously injured.

Germans Softening: Returning Internees See Great Change in Attitude toward U. S.

By MEL MOST

NEW YORK, March 17 (P)—The proverbially tough German has been undergoing a steady softening-up with each new defeat on the battle front. American internees found during their detention in the Reich.

Every time the Wehrmacht communique admitted a new "evacuation" according to plan, our Gestapo guards and the townspeople with whom we came into contact would be just a bit nicer to us.

When we first arrived in Baden Baden, after steep treatment under the army while being kidnapped from French custody at Lourdes, we found the civilians and our police guards correct but definitely cold in their relations with us.

There were stores in town which refused point blank to cater to in-

ternees who had permission to shop, despite government orders that we were to be served. By the end of our internment the public attitude had changed to such an extent that many shopkeepers were putting aside articles that were hard to get, hiding them from other customers to save them for Americans.

A bigger factor was the vague still unchanneled, but clearly present reaction against the whole Nazi system of which there is plenty of evidence in the German public attitude. To a large part of Europe, America represents "the democracy that has worked," and the growing friendship to America and Americans within the German civilian population has gone hand in hand with weariness of Nazism, although the latter is not yet directed against Hitler himself.

David Filgas Is Found Not Guilty

Acquittal Causes Joy in Courtroom

GRAND RAPIDS, Mich., March 17 (P)—Handsome, curly-haired young David Filgas was set free of a murder charge in his girl friend's petting party death today in a sensational courtroom scene.

To screams of women spectators and whistles and cries from boys and girls in the corridors a jury of nine men and three women in Kent county circuit court returned a verdict of acquittal for the 16-year-old defendant.

Filgas, a Greenville High school student, was accused of killing pretty, 17-year-old Patricia Winters the night of last Dec. 10. The girl's body was found in a fire-swept automobile, but the cause of death was never established.

Wild Scene in Courtroom
As the jury returned the verdict after two hours and forty minutes deliberation, the young defendant retained his calm, smiling slightly. The scene around him, however, was pandemonium.

Filgas's mother, Mrs. John R. Filgas, who has three other children, fainted and was taken to a rest room. She was revived shortly, and a few minutes later had her son in her arms, saying "Darling, it's all over now."

Friends "Real Glad"
Young friends of David crowded about him. Two girls and a boy told him "we're real glad," and he answered "Thanks a lot, I'm glad you could come."

"I still feel terrible about it, but I'm glad the jury believed me," David said.

Boys, he added, "I'm sure glad I didn't have to spend a lot of time in the jug for something I didn't do."

German Horrors Brought to Light

Dutch Murdered, Says Repatriate

JERSEY CITY, N. J., March 17 (P)—Stories of a German horror that was visited upon occupied countries were related today as the last of 669 repatriates left the Swedish exchange liner Gripsholm.

Blonde, 20-year-old, Iowa-born Alberta Erdtsieck told of Nazi gunners and influenza racing through Dutch streets shooting people indiscriminately, and 25-year-old Harry Kirkpatrick of Pomona, Calif., told of the wholesale slaughter of Czechs and Jews after the assassination of Heinrich Heideich, Hitler's hanger-on in that country.

Miss Erdtsieck left the United States when she was four years old to live in Holland with her family. She said that in 1941, when the Dutch in Amsterdam staged a brief revolt against anti-Semitic Nazi rules, the Germans rode through the streets shooting pedestrians and hurling grenades. Back home, she wants to join the Women's Army Corps.

Kirkpatrick was a tutor in Prague, often teaching English to Jewish students. After the German occupation, some of his students would disappear overnight, he said, never to be heard from again. He said the Czechs told stories of Jews being massacred cruelly—by live steam baths, or by being used as guinea pigs in the testing of poison gas at the Skoda works in Pilsen.

Simplified Tax Plan Approved By Committee

Decimal Jitters Approaching End

By FRANCIS M. LE MAY

WASHINGTON, March 17 (P)—Responding to a national outcry against the recent slide of decimal jitters, the House Ways and Means committee approved today a far-reaching plan to simplify the tax statutes, relieving some 30,000,000 of the 50,000,000 taxpayers of the necessity of ever computing another income tax return.

Beginning next January 1, under the plan, the present withholding system against wages and salaries will be revised to deduct the full liability for persons earning up to \$5,000.

No Withholding Changes
There will be no change in amounts held out of pay envelopes and salary checks this year, but the government itself will compute the taxes on 1944 income for those with wages and salaries under \$5,000.

The victory tax is abolished and broad changes are made in the normal and surtax exemptions and rates, with a new normal rate of 3 percent (present normal 6 percent) to apply to all persons making over \$555. Some \$150,000 new taxpayers will be added.

Exemptions Explained
Congressional tax experts explain that under the new normal tax the exemption for any person with income over \$500 would be only \$500 plus 10 percent of this income, regardless of whether he is married or the number of his dependents, just as the 3 percent victory tax now is levied against persons making over \$624, regardless of family status.

Red Cross Food Saved Internees

Faced Starvation, Says Baltimorean

BALTIMORE, March 17 (P)—Food sent into German internment camps by the Red Cross and by friends of prisoners saved the internees from starvation, a Baltimorean repatriated on the exchange ship Gripsholm disclosed today in recounting some of the hardships endured in Nazi internment camps for over a year.

Thomas Kolacz, who was in Poland visiting eye specialists when the Germans marched in, declined to tell of treatment of some prisoners by the Nazis.

But he did recall the inedible and insufficient food handed to the twenty-three men cooped up in a twenty-five foot room at Camp Tittmonez, Germany.

Kolacz was foreman of the roomful of prisoners and when he finally complained to German authorities of the mouldy bread—about three ounces per man daily—he was sent to another camp as punishment.

"The best way to get along in a German internment camp is not to complain. Don't talk back and you'll be all right."

The prisoners did their own cooking, cleaning, washing, hauling of supplies and woodchopping, all under the eyes of armed guards. Kolacz said.

"Then one day—I'll never forget it—it was December 12, 1942, they asked me if I wanted to go to America. It seems as though the way back to America was through internment camps."

Nearly a year later my name was called and I was one of those going home.

"You cannot appreciate what that means."

Roosevelt Plans Draft of Nearly All Younger Men

Will State Views Early Next Week

By WILLIAM T. PEACOCK

WASHINGTON, March 17 (P)—President Roosevelt, saying there are few men under twenty-six really indispensable to industry, indicated today he is leaning toward the armed services view that virtually all physically fit men under that age must be drafted.

He told his press-radio conference, however, that he still has the manpower question under study expects to work on it all weekend and probably will have a statement on it early next week.

Decision at Early Date
For the past few days there has been an intense behind-the-scenes tug-of-war between the armed services and production officials over the approximately 250,000 men under twenty-six who have occupational deferments.

Production officials have hoped to keep deferred some 40,000 to 50,000 who they contend are key men in industry and vitally needed to maintain production. Military authorities contend that is too large a number of deferments of men of the best fighting age.

Gets Both Sides
Manpower Chairman Paul V. McNutt, representing selective service, and Chairman Donald M. Nelson of the War Production Board have presented the opposing viewpoints to Mr. Roosevelt in a series of White House conferences.

The question was raised at the president's news conference by a reporter's reference to those meetings.

Mr. Roosevelt told of his plans for weekend study of the problem, which he defined as one of building up the army with men under twenty-six without doing too much harm to industry.

Since Finland entered the war with Germany in June, 1941, the United States has been the only Allied nation to maintain a diplomatic representative at Helsinki. Despite appeals by President Roosevelt and King Gustav V of Sweden, it seemed here today that Finland had closed the door to further negotiations with the Russians.

Finland's Last Chance Vanishing
WASHINGTON, March 17 (P)—Finland's last chance of making a peace short of unconditional surrender appeared to be vanishing today as the United States considered the desirability of breaking off diplomatic relations.

Since Finland entered the war with Germany in June, 1941, the United States has been the only Allied nation to maintain a diplomatic representative at Helsinki. Despite appeals by President Roosevelt and King Gustav V of Sweden, it seemed here today that Finland had closed the door to further negotiations with the Russians.

Kirke L. Simpson Says: Terrific Blasting of Cassino Fails To Dislodge Nazi Troops

By KIRKE L. SIMPSON

Associated Press War Analyst
The unprecedented bomb and shell blasting of Cassino to open the Liri valley road to Rome for Allied troops fell definitely short of its hoped-for results. Dogged German defense of the rubble heap that once was an Italian city and of the hills beyond still retards a Fifth army advance, compelling tedious mopping up operations by tank, grenade, and bayonet.

The concentrated bombardment of so small a target was worth while, however, if it shortened the time it would otherwise have taken to clear the Cassino hurdle, or if it reduced Allied casualties.

To have taken Cassino by frontal attack, or to have worked around

the fortress city through mountains bristling with cave-housed Nazi machine guns and mortars, would have entailed losses, probably disproportionate to the importance of the Italian campaign at this stage.

There can be no question that both Allied and German high commands regard Rome as a key to the situation on the southern Balkan front. It is more of a political than a strictly military objective for both sides, however.

Secretary Stimson, in his recent review, did not leave very many discernable additional and important military results to be gained by pushing on to Rome except the diversionary effect the campaign could have upon other battle theaters.

Reds 11 Miles From Rumania

Lwow Factories Closed by Nazis

By TOM YARBROUGH

LONDON, Saturday, March 18 (P)—The Red army in Southern Russia leaped forward from positions in Old Poland yesterday to capture the German stronghold of Dubno and a town eighteen miles beyond while farther south it won towns only eleven miles from the prewar Rumanian border and drew tighter its semi-circle around the Black Sea port of Nikolaev, Moscow announced today.

The Russians also captured a village on the outskirts of the important rail junction of Zhmerinka, south of Vinnytsa, said the midnight Moscow communique recorded by the Soviet monitor.

Reds Approach Lwow
Marshal Gregory K. Zhukov's troops, long installed inside Old Poland, brought the front still closer to Lwow, historic and strategic Polish rail city, now only seventy miles west of the Russian spearheads.

The new thrust, which won Dubno by crossing the Ikva river and outflanking the town, also won Demidovka, eighteen miles beyond. Demidovka is seventy miles from Lwow and forty-two miles inside the Old Polish frontier.

Nazis Reported Fleeing
"The Germans were reported to have closed all factories in Lwow and to be evacuating the equipment to Cracow," said Stockholm dispatches quoted by Tass news agency.

Southeast of this fighting area Russian troops captured Klembovka, eleven miles north of the Dniester river, frontier of Rumania, and twelve miles from the former border town of Yampol, the communique said, and also Oshanka, an equal distance from the winding river.

Ankara dispatches said Rumanian civilians were fleeing the area, leaving only the military in possession. The Rumanians were said to have five divisions on the front.

Dies Committee Orders Probe Of Walter Winchell's "Smears"

By WILLIAM F. ARBOWST

WASHINGTON, March 17 (P)—A feud between Walter Winchell, radio commentator and newspaper columnist, and members of Congress who claim he is attempting to "smear" them, boiled to a climax today as the Dies committee ordered an investigation of Winchell's broadcasts.

Chairman Dies (D-Tex.), who has excoriated the commentator in several recent House speeches, announced that the committee on un-American activities has issued a subpoena for scripts and recordings of Winchell's programs for the last two years.

He added that a thorough investigation of Winchell's programs probably would require the appearance of about thirty witnesses, including officials of the Jergens Company, Winchell's sponsor, and the network which carries his programs.

Whether Winchell himself will be subpoenaed, the Texan said, has not been decided.

At Miami Beach, Winchell demanded "why don't they subpoena Winchell?" when he was informed of the committee's action.

Aerial Assaults Also Hit Other German Targets

Rail Facilities Believed Damaged

By RICHARD G. MASSOCK

NAPLES, March 17 (P)—Situation formations of American Flying Fortresses and Liberators attacked Vienna for the first time in the war today as the climax of an extensive daylight aerial assault aimed also at other targets in Austria, Yugoslavia and Northern Italy.

The specific objectives chosen by the Fifteenth United States Air Force for its first blow directly at the ancient Hapsburg capital were not announced immediately by Allied headquarters, but were believed to have included railway facilities and port installations on the Danube.

Aircraft Plant Hit
(An aircraft plant in Vienna also was hit, the United Nations radio at Algiers said.)

The big bombers, escorted by Lightning and Thunderbolt fighters, selected their targets through overcast.

Fortresses, in other phases of the day's wide-ranging offensive, also bombed Wiesbaden in Austria, twenty-five miles west of Klagenfurt, and blasted enemy shipping in and near Trieste, Yugoslav port.

Attack Rail Junctions
Medium bombers struck at Cacerio and Monte Pessina, both important railway junctions in Northern Italy, and crews said the targets were well covered. At Cassino a railway bridge originally cut last December was believed to have been broken again.

Returning crews said that some formations had encountered small numbers of enemy fighters. Extremely heavy flak also was reported over the Vienna target areas.

Woodring Offers More Candidates
Suggests O'Daniel To "True Democrats"

HOUSTON, Tex., March 17 (P)—Harry H. Woodring of Topeka, Kas., chairman of the American Democratic National committee, today labeled Senator W. Lee O'Daniel (D-Tex.), as "an outstanding example of the type of man who would be acceptable to us" as a presidential nominee.

Stopping here on a nation-wide tour to organize the committee, the former secretary of war in President Roosevelt's cabinet said in an interview:

"There is also a great deal of support for Sen. Harry Byrd (D-Va.), Sen. Walter F. George (D-Ga.), former Governor Charles Edison of New Jersey and a number of others."

Woodring described the committee as "not a third party but a party of true Democrats whose purpose is to regain and recapture the Democratic party for its rightful owners."

These Jumping Jacks

Are Really Amusing

IT SEEMS only yesterday (although it was just after Winston Churchill's speech of February 22) that all the "liberal" boys and girls were condemning Winston as a hardboiled reactionary, an incurable monarchist and an old meanie.

Why? Because Mr. Churchill said, in substance, that the Allies would go along with the regime of King Victor Emmanuel and Marshal Badoglio unless and until the Italians, themselves, should establish something more substantial in the form of a responsible government. For this the prime minister was damned up hill and down dale in his own country and on this side of the water. The strongest denunciation came from circles in which Russian policy is always right and British policy almost always wrong.

Those critics of Mr. Churchill now must be getting into shape for some of the swift back-somersaults in which all "liberals" excel. (The Communist party organ in New York, the *Daily Worker*, effected a complete about-face in two days.) For Comrade Joe Stalin has thrown his arms around Marshal Badoglio and given him a great, big diplomatic bear hug. Inasmuch as Bad

Allegany Cadet Corps Nurses Get Uniforms

The Rev. George Raymond Winters, pastor of the Reformed church of Hyndman, Pa., was the guest speaker at the meeting of the Corriagville Parent-Teacher Association Thursday evening.

Speaking on juvenile delinquency he quoted statistics from all over the country; presented a list of books to be helpful in the home; urged a closer relation between parents and teachers and suggested that parents heed suggestions from the teachers.

He also congratulated the association on its Friday night parties for the young people and urged a continuance of them. Following his talk he conducted a round table discussion on the topic.

Plans for having a party every other week instead of once a month were discussed and it was decided to hold the next party March 24. It will be for all the children of Corriagville, and is under the supervision of the teachers and parents, who plan the games and play with the children.

Miss Sara Wright, principal of the school, reported that an average of between \$30 and \$40 of defense stamps are sold each week.

A committee to arrange for procuring equipment for a cafeteria for the school was appointed and includes Mrs. Fulcher, P. Smith, Mrs. Edward Matthews, Joseph Corriag and John Walters.

The program also included two readings by the Rev. Mr. Winters, "The Railroad Crossing," by Butterworth, and "A Heap O' Livin'" by Edgar A. Guest. Following the meeting refreshments were served.

Papers Collected By Boy Scouts Are Disarranged

By CATHERINE O'ROURKE

MT. SAVAGE, March 17.—Several hours of hard work on the part of the Mt. Savage Boy Scouts were undone when a prowler entered the Scout hall and rummaged through the papers and magazines the boys had collected over a period of five weeks. A committee of Scouts, assisted by Patrick J. Sullivan, executive of the Scout troop committee, had assorted the papers and magazines, banded them and stacked them and had them ready to turn to use in the defense drive.

Thursday evening when the Scouts held a meeting, it was discovered that someone had entered the building and the neatly arranged papers were scattered over the hall. Sullivan, reporting the occurrence, said he did not believe anyone would do such a thing with intentional maliciousness, but stated that it may have been caused by young people looking for comic books. The Scouts have re-arranged the papers and they are again ready to be delivered on March 25, which has been designated as the conclusion of the drive.

The Scout hall is being repaired by the boys and members of the troop committee and new windows must be installed and locks purchased before the building can be safe-guarded. However, the committee has appealed to the honesty and patriotism of the citizens to protect the property until the necessary repairs are made. Brick, which had been cleaned by the boys in preparation for use in the building and lumber that had been stored for floor repairing, has recently been stolen from the building. Citizens are indignant over the loss to the Scouts and attempts are being made to discover the offenders.

The election was held early on March 23, 24 and 25 five delegates representing The Acorn will attend the annual convention of the Columbia Scholastic Press Association at Columbia University, New York city. Those who will attend are James Rook, William Treacy, Mary Fraley and Wanda Whitaker, and Miss Sibylla Paynter, editorial staff adviser. Lion Club Meets

John L. Hougardy, executive director of the Maryland Public Expenditure Council, told members of the Lions club and their guests at their regular meeting this week, that the condition of bureaucratic government could be traced to citizens themselves who for too many years hadn't bothered about government.

The meeting was held in the Pike boarding house on High street with about fifty members and guests present.

Hougardy outlined the purpose of the organization he represented and urged those present to take an active interest in the affairs of government to combat the lobbyists and pressure groups that were on every hand in Washington, clamoring for handouts.

He urged those present as citizens to take an interest in proposed legislation and to keep contact with those who represent the people in Congress. He discussed briefly in this respect the proposed Wagner-Murray bill, a social security bill of much wider coverage than the one now in effect.

Cagney Wears Forty Hais in 'Frisco Kid'

W.M.I. League All-Stars Defeat LaSalle, 35-34, in Extra Period

Cox's Basket and Whiteman's Foul Give Loop Aces Decision in Fast, Rough Game

The LaSalle High Explorers, who pulled one extra-period battle out of the fire this week, were unable to duplicate the feat last night on the SS. Peter and Paul school court and bowed 35-34 to the Western Maryland Interscholastic League All-Stars in a fast but rough contest.

Clearing the decks for the Eastern States Catholic tournament starting next Thursday at Newport, R. I., the Explorers lost the rugged engagement at the foul stripe. Each team snared thirteen field goals with the All-Stars converting nine of nineteen free throws and LaSalle eight of seventeen.

It was a close and hard-fought scrap from start to finish with three players—two All-Stars and one Explorer—fouling out. The WMIL outfit, directed by Mel "Newt" Henry, Central high court coach last season and now grid tutor at Fort Hill, grabbed the lead in the opening period and held a 12-10 edge at the quarter, an 18-17 advantage at the half and a 30-28 lead at the close of the third stanza.

In the fourth round, LaSalle's Jack Steiner and Ray Shaffer each converted a foul to tie the count, 30-30, and with 4:45 to go, Johnny Cox, Allegheny guard performing for the All-Stars, meshed a singleton, Shaffer's one-hander from the right corner with 2:45 to play sent LaSalle to the front and with 2:15 remaining, Don "Bubbles" Whiteman who starred for Fort Hill's Sentinels this year, dropped in the foul that deadlocked the count, 32-32, and necessitated the three-minute extra session. With only seconds to go, LaSalle's Ed Gunning uncorked a long one but the ball hit the rim without going through.

Whiteman's Foul Clinches Game
Early in the extra round, Referee Cliff Pearer called a technical foul on Henry and Gunning converted to put the Explorers in front, "Augie" Eichhorn, Central high center of Lonaconing, was fouled by Jim Fahey but muffed the shot. A few moments later, Cox fouled Shaffer but the latter failed to convert. Don McGill, Fort Hill forward who substituted for the ailing Jim MacFarlane, of Allegheny, in the WMIL All-Stars' starting lineup, missed a pair of free throws when fouled by Fahey.

Fifty seconds were left when Cox tossed in a basket from the left to give the advantage to the All-Stars. Fifteen seconds later, LaSalle's Tommy Geatz on personal fouls and Whiteman converted to sew up the contest. Twenty seconds before the whistle, McGill fouled Fahey for his fourth personal. Fahey made the first one and elected to take the ball out of bounds instead of trying for the second. The game ended with the All-Stars in possession.

Stars Take 5-0 Lead
The All-Stars got away to a 5-0 lead during the first minute of the game.

Ex-Major League Stars Will Play For Bainbridge

Candidates Will Report to Coach Gerry O'Brien on Monday

BAINBRIDGE, Md., March 17.—At least ten former major league players are expected to report Monday to Ensign Gerry O'Brien when the former Boston Red Sox pitcher and outfielder calls opening practice for the Bainbridge naval training station baseball squad.

O'Brien, recently commissioned, was designated coach in an announcement today by Bainbridge athletic officials, who said they plan games with pro clubs at the station every week this spring.

The first contest will be with the Washington Senators, April 10, with the International League's Baltimore Orioles scheduled for April 13 and the Buffalo Bisons for April 15-16.

Among the ex-big league players listed among the twenty-five scheduled to report to O'Brien are: Pitchers Lou Cioia, of the Philadelphia Athletics and Joe Coombs, of the New York Giants and Jersey City, Catchers Bob Scheffing, of the Chicago Cubs, and "Truck" Fernandez, of the New York Yankees; Infielders Elbie Fletcher, of the Pittsburgh Pirates, Bob Blattner, of St. Louis, Fred Chapman, of the Philadelphia Athletics, and Sherrod Robertson, of the Washington Senators; and Outfielders Ernie Sites, of the Pirates, and Johnny Norlander, of the St. Louis Cardinals.

The player list also carried the names of Pitchers Maxie Wolfson and Lou Bicks, of the Piedmont League; Dick Sisler, son of George Sisler and from the Pacific Coast League; Don Duran, Oregon State's star footballer; and Al Brightman, of the Baltimore Orioles.

O'Brien, a graduate of Providence college, once pitched a no-hit game for his alma mater. The Red Sox signed him after graduation and he stayed with Boston until he joined the navy. He served with the fleet before coming to Bainbridge.

Athletic officials said some field, where all the games will be played, is being enlarged to accommodate 8,000 to 10,000 recruits. The work still is in progress, but the diamond is expected to be in shape by the opening of the season.

Five Defending Champions Enter Chicago Relays

Gil Dodds, Front Man in Indoor Mile, Seeks Seventh Win in Row

By CHARLES CHAMBERLAIN
CHICAGO, March 17 (AP)—Gil Dodds, of Boston, the front man in the indoor mile this season, is one of five defending champions geared up for the eighth annual Chicago relays tomorrow night in Chicago stadium.

Dodds, who developed his stride last summer by shadowing Sweden's Gunder Haeg around the cinder trails from coast to coast, will be seeking his seventh consecutive mile victory. The "Flying Parson" stepped a 4:07.3 mile in the Knights of Columbus meet last Saturday, clipping one-tenth of a second from the world's indoor competitive record.

Another world record holder to enter the meet is Ensign Cornelius Warmerdam, who cruised down a special 1500-foot runway a year ago and gazed fifteen feet, eight and one-half inches in the pole vault. Warmerdam, an instructor in the preparatory flight school at Monmouth, Ill., college, will be in his first competition of the season, and in defending his title, again will have a 150-foot takeoff.

Other defending champions are Les Eisenhart, Columbus, Ohio, in the 1,000-yard race; James Herbert, Grand Street Boys club, New York, in the 600-yard run, and Bob Wright, midshipman at Abbott Hall, Chicago, in the hurdle series.

One of the feature events is the Olympic sprint series at forty, fifty and fifty-five yards which has attracted such national speed demons as Claude Young, sensational University of Illinois freshman who won the sixty-yard dash in the Mill-race games; Ed Conwell, of New York university, National A. A. U. champion, and Herbert Thompson, of the United States Coast Guard, New York A. C. champion.

Shobermen Close R. C. Season Today

Shober's Big Five, leading the Allegheny-Mineral County Rocking Chair Basketball League race with a dozen victories and one setback, will close its campaign by meeting the Keyser (W. Va.) Independents on the SS. Peter and Paul school court tomorrow afternoon at 3 o'clock in the opener of a twin bill.

Woodmen of the World cagers will oppose the Cumberland F. O. Eagles in the other half of the doubleheader at 4 o'clock with the game marking the close of scheduled play for the Eagles.

The Shobermen defeated Keyser, 27-23, earlier in the season, and the Woodmen hold a 42-33 decision over the Eagles.

C. Edward Diehl, president of the league, announced that a special meeting of the league will be held at the SS. Peter and Paul gym at 2:45 tomorrow afternoon to make plans for closing the campaign.

North End Hoopmen Top LaSalle Reserves

The North End quint, with Lou Baker showing the way with fifteen points, trimmed the LaSalle High Reserves, 40-28, in the preliminary to last night's LaSalle-WMI League All-Star battle on the SS. Peter and Paul school court.

The North Enders led 7-6 at the quarter and 24-18 after three periods after a 16-16 deadlock at the half. Charlie Steiner had nine points and Joe Becker seven for LaSalle. The lineups:
